PRIVACY POLICY

At **EPS Mien Trung Manufacturing**, we understand that our partners' data is a valuable asset. This policy establishes our commitment to protecting customer information in accordance with modern industrial operational standards.

1. Purpose of Information Collection

We only collect necessary data for the following purposes:

- Providing technical consultations for EPS foam and glass products.
- Delivering Capability Profiles, quotations, and technical specifications as requested.
- Maintaining strategic connections and providing after-sales support within the production ecosystem.

2. Scope of Collection

Information is collected via website forms or direct contact, including:

- Full name and job title of the contact person.
- Business/Organization name.
- Contact details: Phone number, Email, Address.
- Specific technical requirements for the product.

3. Principles of Use: Performance & Confidentiality

We are committed to:

- **No Sharing:** Personal data and project information of our partners will strictly not be sold, exchanged, or shared with third parties for commercial purposes.
- **Internal Use Only:** Information is circulated only within the management systems of EPS Mien Trung and Euroglass Factory to optimize service processes.
- **Absolute Security:** Implementing technical and organizational measures to prevent unauthorized access.

4. Data Retention Period

Data will be stored securely throughout the duration of the partnership. Information will be deleted or anonymized immediately when:

- The consultation purpose is fulfilled and no transaction occurs.
- There is a formal request for data removal from the data subject.

5. Rights of the Data Subject

Our partners have full rights to:

- Access and request corrections to personal or business information.
- Opt-out of receiving strategic updates from us.
- Request the complete deletion of data from our storage systems.

6. Contact Information

For any matters related to information security, please contact:
